

UCSB College of Engineering Graduate School Information Session

Are you interested in applying to graduate programs in engineering ?
Do you want to learn about what it takes to be a competitive applicant ?
Would you like to know what is considered a good GRE score ?
Have you given thought to your statement of purpose ?

Then join us at the COE Graduate School Information Session and meet faculty, students, and staff as they provide you with valuable information on the graduate school application process.

November 13th Engineering Sciences Building 1001, 5-8 pm

Meet with Faculty, Staff, and Graduate Students: Panels, Departmental Break-out Sessions, and Graduate Poster Presentations

November 14th Engineering Sciences Building 1001, 5-8 pm

Curricula Vitae and Statement of Purpose Workshop: Learn successful strategies with regard to writing an effective Statement of Purpose and a *Vitae* that stands out

Pizza and beverages will be served.

For more information, contact Tony Jimenez, Diversity Coordinator in the Graduate Division at: diversity@graddiv.ucsb.edu or 893-4838

Co-sponsored by the College of Engineering, the Graduate Division Office of Diversity Recruitment and Retention, AGEP Society, SACNAS, Career Center, NSBE, Los Ingenieros, CAMP, Engineers Without Borders, ACM, Eta Kappa Nu, and WISE.
